NUMISMATICA GENEVENSIS SA

AUCTION 5

PRESENTING COINS CERTIFIED BY
NUMISMATIC GUARANTY CORPORATION

DECEMBER 2 & 3, 2008
GENEVA

WELCOME

This Catalog Supplement to the Numismatica Genevensis SA fifth auction is a *celebration*.

Its release coincides with the 20th anniversary of NGSA and the unveiling of NGC's ancient coin certification program. To celebrate the concurrence of these unique events, NGC has provided its grading expertise alongside NGSA. This catalog includes more than 300 coins from NGSA's fifth auction, which have been certified by NGC with the pedigree GENEVENSIS V. While only the lot number, a brief attribution and the NGC grade are included in this catalog, full catalog descriptions can be found online at www.ngsa.ch.

NGC ANCIENTS CERTIFICATION

NGC Ancients evaluates ancient coins with an adjectival grade for wear, and with separate evaluations for the Three S's of Ancient Coin Grading™: Strike, Surface and Style. Strike and Surface are each rated on a 5-point scale, with 5 being the highest valuation. Coins of superior aesthetic appeal, based upon the style of the die engraving, are awarded the qualifier "Fine Style". And coins with exceptional merit for their grade and issue can be awarded the star designation ★ – a feature unique to the products of NGC. For the 200 ancient coins in this auction graded by NGC Ancients, Photo Certificates will be provided free of charge to the successful bidders. The certificates bear color photos of the obverse and reverse and a detailed condition report. For more information about NGC's services for ancient coins, please visit www.NGCcoin.com/ancient.
